# CASSIO

Matte Black (BLK), Olympic Gold (OG)

Strong, geometric angles and an industrial design allows the Cassio Collection to add visual interest to any room. Dramatic, double edges and bold lines make the fixtures focal points. As if frozen in space, the exposed lamps sit within 3-dimensional cubes. The open, glass-free cages lend an airy, playful feel while providing utility in the form of widespread light and quick bulb changes.

# CALYPSO

Matte Black (BLK)

The Calypso collection lends a modern, feminine feel wherever it hangs. The visual effect of the tightly wrapped wires of the dome shade, fitted one above another without overlap, draws the eye. The gaps in the matte black shade offer partial views of a simple lamp. When lit within the wound wires, a bright bulb has a diffused affect.

ZARA

Matte Black (BLK)

Zara is a fashionable, transitional style. Thin bands of steel in a smooth, matte black finish flow boldly around a fabric shade in a unique, cross-woven design. The bold rectangular arms are echoed by rectangular supports. This strong geometry is softened by the modern white shade.

# REGAN

Natural Black (NB)

Regan stands proud and strong in Traditional to Transitional spaces. Blending steel and wood, the authentic raw materials add a light rustic element that contrasts the dark frames. Regan's angular joists draw the eye. A textured natural black finish and authentic wood accents make Regan the perfect complement to rustic or eclectic interiors.
