Small Pendant

Brinkley's transitional design is fit for a variety of decors. Inspired by the balance of organic and geometric shapes, this series provides a refreshing take on angular modernism. Brinkley's whimsical silhouette hints at the lighthearted age-old question, which came first, the chicken or the egg. The uniquely-shaped shade smoothly peaks and dips, defying the traditional expectations of porcelain. To match the shade's exterior, the interior is also painted white. When lit, the Porcelain Shade offers a soft, warm glow. Paired with a stunningly elegant, Plated Brushed Champagne Bronze, Brinkley provides an updated look fit to grace many interiors. This pendant can be arrayed in a group or showcased alone.
