3 Light Flush Mount

Aenon's universal style positions the series as a contemporary design that is a perfect fit for transitional to modern homes. The striking Hammered Water Glass draws the eye and quickly becomes a topic of conversation and admiration. Strong masculine steel arms cradle Aenon's unique glass, suspending them in mid-air. When lit, the Hammered Water Glass panels contrast the striking Brushed Champagne Bronze finish and reflect the bright light. Playful shadows created by this glass offer an intimate ambiance.
